## **CR-05 - Goals and Outcomes**

### **Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)**

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

This Consolidated Annual Performance Report (CAPER) provides an overview of the progress made during PY 2023, the fourth year of the Puerto Rico State 2020-2024 Housing and Community Consolidated Plan. The Plan set the goals and strategies to address community and economic development needs as well as affordable housing needs over the five-year planning period. During Program Year 2023, the state undertook activities consistent with the approved strategic and annual action Plan, for the following programs:

- Community Development Block Grant (CDBG), administered by the Puerto Rico Department of Housing (PRDoH);
- HOME Investment Partnerships Program (HOME), Administered by the Puerto Rico Housing Finance Authority;
- Housing Opportunities for Persons with AIDS (HOPWA); administered by the Puerto Rico Department of Health, in collaboration with the Municipality of San Juan;
- Emergency Solutions Grant (ESG), administered by the Puerto Rico Department of Family; and
- Housing Trust Fund (HTF), also administered by the Puerto Rico Housing Finance Authority.

Each of these programs of the Consolidated Plan invested available resources in eligible activities to address the needs of the low- and moderate-income persons with the final goals of:

- increasing the availability, accessibility, and affordability of decent housing,
- create suitable living environments, and
- provide economic opportunities for low- and moderate-income individuals.

### **Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)**

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goal.

Goal	Category	Source / Amount	Indicator	Unit of Measure	Expected – Strategic Plan	Actual – Strategic Plan	Percent Complete	Expected – Program Year	Actual – Program Year	Percent Complete

**Table 1 - Accomplishments – Program Year & Strategic Plan to Date**

**Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.**

### **CDBG Program**

CDBG funds were used in accordance with the action plan and were in its majority directed to address the needs of low- and moderate-income persons . As stated in the Action Plan, and in accordance with local public policy, funds were distributed to non-entitlement municipalities on an equal basis, through a formula allocation, with the exception of the islands of Vieques and Culebra, that received 15% in additional allocation. In terms of the specific activities, the government's fiscal situation, the lack of access to capital and constrained municipal finances have all contributed to placing most CDBG efforts in housing, public service and infrastructure projects. CDBG funds were used specifically to support the following eligible activities:

- **Economic development** – A total of 1,205 business received benefit of community development projects for building, acquisition, construction and rehabilitation of the business and a total of 10 jobs were created. Also, 21 more jobs were created with the benefit of micro-enterprise assistance. A total of \$308,439.55 was disbursed for this activity.
- **Public facilities and improvements** - A total of 708,483 low and income persons received benefit of community development projects aimed to improve living conditions and infrastructure. A total of \$16,493,143.17 was disbursed for this activity.
- **Public services** – A total of 15,404 low and income persons received benefit to attend special needs population. The total disbursed for this activity was \$1,864,545.87.
- **Housing rehabilitation** – As part of strategy to provide decent housing and suitable living environment to low- and moderate-income persons, 244 were rehabilitated. The total disbursed for this activity was \$1,009,368.68.

The following table provides a summary of the CBDG-CV financial summary report. Details for CDBG-CV funds are included in the Appendix Section, PR 26 CDBG-CV Financial Summary Report. For the information of the other programs go to Appendix Section.

## PR 26 CDBG-CV Financial Summary

### HOPWA Program

The major initiative undertaken during this program year included:

1. HOPWA funds
  - a. Completed 18 monitoring Review;
  - b. Provided assistance to eligible families under the following programs:
    - i) Tenant Based Rental Assistance to 94 families;
    - ii) Short-Term Rental, Mortgage and Utilities to 84 families;
    - iii) Transitional Housing to 103 families and;
    - iv) Supportive Services to 709 participants

As per the service activities undertaken PY 2023, the HOPWA sub-recipients provided short-term rent, mortgage and/or utility assistance payments, supportive services, Tenant Based Rental Assistance, and other eligible activities to persons infected with HIV/AIDS and their families to prevent homelessness.

During FY2023, a total of twenty-eight (28) eligible activities were implemented to support HOPWA participants. These activities were carried out by nine (9) non-profit organizations and eleven (11) municipalities, which collectively expended 50.28% of the funds allocated for contracted activities as of June 30, 2024. Additionally, the municipality allocated \$350,000.00 from previous years' funding to sub-recipients, of which 68.12% had been expended. As for the 2020 HOPWA Cares funds, a total of

\$320,130.10 had been allocated by June 30, 2024, to provide supportive services to non-profit organizations and municipalities.

Considering all HOPWA funded allocations during 2023-2024 a total of \$2,909,001.32 were used to support HOPWA eligible activities describe as follow:

- **Tenant-Based Rental Assistance (TBRA) Program:** The TBRA program provides tenant-based rental assistance to eligible individuals who are unable to afford stable housing. The assistance continues until they secure other affordable and stable housing solutions, often transitioning participants to long-term affordable housing options. This program helps prevent homelessness among individuals with HIV/AIDS by providing consistent housing support. A total of eleven (11) municipalities implemented this activity. Of the \$735,489.42 allocated to TBRA, \$28,288.06 was directed to activity delivery costs, which include administrative tasks and case management. Additionally, \$354,429.58 was disbursed specifically for housing assistance to eligible participants, ensuring they could remain in stable housing while working toward more permanent solutions.
- **Short-Term Rent, Mortgage, and Utilities (STRMU) Assistance Program:** The STRMU program offers crucial financial relief for eligible individuals, covering rent, mortgage, and utility payments for up to 21 weeks in a 52-week period. This short-term intervention is designed to stabilize housing situations in times of crisis, preventing eviction or foreclosure while individuals regain financial stability. During the program year, the STRMU services were distributed across three geographical regions in Puerto Rico, ensuring coverage in key areas with high demand. A total of \$231,753.00 was allocated to this activity, and \$138,265.77 was disbursed, directly assisting participants in maintaining their housing and essential utilities.
- **Supportive Services Program:** The Supportive Services Program is critical in addressing the complex needs of HOPWA recipients, who often require more than just housing assistance. Nonprofit organizations contracted by the Municipality of San Juan (MSJ) provided an array of supportive services under this program, including health care, mental health assessments, permanent housing placement, drug and alcohol treatment and counseling, childcare, personal assistance, and nutritional services. Intensive care services were also offered when required, alongside efforts to help participants access local, state, and federal government benefits. These services were often provided in residential settings, ensuring recipients received holistic care in a stable environment. A total of \$1,197,644.54 was allocated for this activity, which includes funding from previous years and HOPWA-CV (CARES Act) funding. Of this, \$836,689.54 was disbursed for the direct provision of these services.
  - **Supportive Services Provided by Sub-recipients with HOPWA Housing Subsidy Assistance:** Sub-recipients that delivered both supportive services and housing assistance were allocated \$446,039.00. These funds supported a range of essential services in addition to housing subsidies, with \$271,833.33 disbursed to ensure that participants received comprehensive care and housing support.
  - **Supportive Services Provided by Sub-recipients Offering Only Supportive Services:** Sub-recipients that focused exclusively on supportive services were allocated \$751,605.54,

including \$269,258.54 from CARES Act funds. These services provided critical support during the COVID-19 pandemic, addressing heightened needs within the community. A total of \$564,856.21 was disbursed, including CARES Act funds, ensuring the continuity of vital services for vulnerable populations.

- **Transitional Housing:** This category plays a key role in offering temporary housing solutions for individuals who need structured support before transitioning to permanent housing. The services provided under this category include hospice care, detox services, and permanent housing for chronically ill individuals with mental health conditions. These supportive housing arrangements are designed to maintain clients' quality of life while addressing their immediate health and housing needs. In total, \$756,179.90 was allocated to Transitional Housing, and \$433,753.91 was disbursed. The transitional nature of this housing allows participants to stabilize and receive critical care before securing more permanent housing solutions, significantly improving their long-term outcomes.

**ESG Program**

In 2023, the strategies to address the primary housing and supportive service needs of homeless individuals and families were further strengthened. The Emergency Solutions Grant (ESG) program continued to have a significant impact on the community by distributing a total of \$2,165,875.44 to 40 nonprofit organizations and municipalities for their respective projects. Additionally, the ESG program remained committed to vulnerable populations, supported by a special allocation of \$29,026,739.44 (ESG-CV), which continued into 2023. This allocation effectively supported homeless individuals, people fleeing situations of violence, those in emergency shelters, and individuals at risk of homelessness.

Thanks to the efficient execution of ESG-CV funds, services continued to be provided at the twenty-four Temporary Emergency Shelters with non-congregate living spaces, established in response to the COVID-19 emergency and strategically distributed across the island. These shelters have become essential spaces to combat homelessness in Puerto Rico by providing safe environments and critical services to those in need. These shelters have since transitioned to operate under the regular ESG program, ensuring the continuity of vital services and long-term sustainability.

**Temporary Shelters Locations**

Location	Number of Shelters
Canóvanas	1
San Juan	5
Trujillo Alto	1
Vega Baja	2
Utado	2

Location	Number of Shelters
<b>Cayey</b>	1
<b>Arecibo</b>	1

To mitigate the financial challenges faced by municipalities and nonprofit organizations in implementing federally funded programs, the Emergency Solutions Grant (ESG) Program has strengthened its advance funding system. This improvement has facilitated more agile execution of activities, enabling rapid and efficient responses to the needs of the population we serve. These funds have been allocated to cover the operational expenses of entities and municipalities operating emergency shelters and other eligible activities.

In 2023, the ESG Program also expanded its media outreach with a robust campaign aimed at educating citizens about the available services. This campaign promoted the services offered by the program’s subrecipients to connect individuals with the necessary resources to eradicate homelessness in Puerto Rico. Furthermore, the ESG Program continued its active participation in large-scale events organized by the Government of Puerto Rico, providing essential information about the services available through public agencies.

Another ongoing initiative of the ESG program is our project "ESG Te Orienta," which provided educational tools to subrecipients through workshops focused on programmatic and fiscal concepts. This effort was complemented by technical visits conducted by ESG Program staff to all subrecipient entities. These visits allowed for the identification of minor issues and the implementation of continuous improvement plans to ensure efficiency and effectiveness in service delivery.

Thanks to these continuous efforts and the successful conclusion of the special COVID allocation, the ESG Program has not only maintained its commitment to the most vulnerable individuals but also enhanced its response capacity and created new opportunities to address homelessness in Puerto Rico, contributing to an improved quality of life for at-risk populations.

**HOME Program**

The HOME program allocated the funds according to the priorities identified in the Strategic Plan to address the housing needs of low- and moderate-income persons. The program addresses both homeownership and rental needs through homebuyer assistance programs, subsidies to developers of multifamily rental projects, rental assistance programs and homeownership rehabilitation for substandard housing. These approaches address housing affordability issues in Puerto Rico, where the median cost of safe and decent housing is considerably higher than the median income of residents and where a substantial amount of substandard housing is present and located in areas affected by environmental risks. As per PR-23 report, a total of 46 HOME-assisted units were occupied during PY2023 across the island.

## **Housing Trust Fund (HTF)**

The Housing Trust Fund (HTF) program addresses the rental needs through subsidies to developers of multifamily rental projects. This approach address housing affordability issues in Puerto Rico, where the median cost of safe and decent housing is considerably higher that the median income of residents and where a substantial amount of substandard housing is present and located in areas affected by environmental risks. As the PJ of the State HOME Program, PRHFA has allocated HTF funds for two (2) multifamily projects located at: Comerío (Rio Plata Development project) and Dorado (Paraíso Dorado project). Rio Plata Development project completed during PY2023 its rehabilitation process of a total of 90 housing units (of which 22 are HTF-assisted units). All of the 22 HTF-assisted units were occupied during PY2023.

In the case of Paraíso Dorado project , PRHFA (as the PJ for the HTF Funds PR State), has reopened IDIS Activity No. 17324 during its first year of operation (as permitted by federal regulation) and conceded an additional one year to the Paraiso Dorado project in Dorado PR to grant additional HTF funds to make their housing units more resilient and improve its capacity to resist hurricane winds. Construction has been completed and all the units are occupied only pending to process the final payment.

In the case of Paraíso Dorado project, a total of 3 additional HTF-assisted units were occupied.

## **CDBG**

Non-entitlement municipalities requested 2023 funds following the priorities identified in the Plan. The lack of access to capital, and constrained municipal finances, have all contributed to placing most CDBG efforts in housing, public service and infrastructure projects. CDBG activities have almost been exclusively destined to low and moderate-income population. The following is a summary of the CDBG & CDBG-CV activities performance (IDIS PR23) during program year 2023:

For details of CDBG-DR expenditures and accomplishment reports go to: <https://cdbg-dr.pr.gov/en/reports/>

**HOME PROGRAM - Number of Households Assisted during the reporting period:**

Per IDIS PR-23 report dated 8-27-2024 16:34 PM, HOME Program Puerto Rico completed 46 housing units during PY2023. Some of the housing units were occupied during previous program year. The following table provides a summary of such accomplishments by activity type. Active cases or funded during PY2023 differ from cases completed as per PR-23. For this CAPER 2023 purposes, we are including cases completed per PR-23; additional information will be find in CR-20 section of this CAPER.

The table below also provides a summary of units completed during PY 2023 by area median income (AMI). In terms of unit completion by racial category, the PR-23 identifies all housing units as provided to other multi-racial, particularly Hispanics. These results are consistent with the composition of racial minorities within the Island, which are predominantly of some Hispanic origin (see below).

Not Hispanic	14	0	0	440	0

**Table 2 – Table of assistance to racial and ethnic populations by source of funds**

### Narrative

The CDBG and HOME racial and ethnic composition was obtained principally from the housing rehabilitation, public service and economic development activities as entered into the IDIS system (IDIS PR23). The information included in the table may contain data from previous years, as IDIS activities can generate beneficiaries over several different program years. . The HOME program's racial and ethnic status of families assisted was obtained from the records maintained by the PRHFA and IDIS. The ESG data was obtained from the SAGE Report. The HOPWA data, these numbers only reflect the racial composition of clients assisted HOPWA Program under Tenant Based Rental assistance, Short-Term Rent, Mortgage, and Utilities (STRMU) Assistance and Transitional Housing only. Additional assistance was provided to participants under Supportive Services program that this data is not collected. The HOPWA data, these numbers reflect the racial composition of clients assisted HOPWA Program under Tenant Based Rental assistance, Short-Term Rent, Mortgage, and Utilities (STRMU) Assistance, Transitional Housing and Supportive Services Only.

In general terms, the information presented in the previous table shows that the majority of families served by CDBG, HOME, ESG and HOPWA are white, while more than 95.0% are Hispanic. Nevertheless, it is important to note that the racial and ethnic composition chart does not have a category for "Other" or "multiracial", which would have better describe Puerto Ricans, in this case all of the HOME beneficiaries identified themselves as "Other multi-racial", for the case of CDBG beneficiaries 88% or 3,153 identified themselves as "Other multi-racial", 415 as White and 14 American Indian or American Native and non-hispanic, in the case of CDBG-CV 61.4% identified themselves as White and 38.6% as Other multi-racial and almost 100% are hispanic.

In the case of ESG SAGE "Client Doesn't know/Client refused" and "Data not collected" where also included in under "white" and Hispanic, for details go to SAGE 2023 report in the appendix section or the

table below “ESG racial and ethnic population 2023”. For the racial composition of the ESG-CV participants the majority are White with a 49.1% and 39.6% indicated Multiple Races, 100% are Hispanic.

## CR-15 - Resources and Investments 91.520(a)

### Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	public - federal	60,135,416	22,896,696
HOME	public - federal	60,347,572	914,596
HOPWA	public - federal	4,644,179	2,268,417
ESG	public - federal	3,493,404	797,324
HTF	public - federal	6,941,410	4,089,626
Other	public - federal	18,353,625,597	1,974,887,390

**Table 3 - Resources Made Available**

### Narrative

For the PY 2023, the State had available a \$135,561,981 for the CDBG, ESG, HOPWA, HOME and HTF programs, \$10,005,815,230 for CBDG-DR funds, \$8,285,284,000 for CDBG-MIT and total of \$62,526,367 allocated for CARES Act funds for CDBG, ESG and HOPWA programs.

### CDBG programs

A total of \$60,135,416 were available for the CDBG Program year 2023, of which \$22,896,696.12 were expended during the program year. In FY 2020 CDBG received an allocation of \$33,178,921 for CDBG-CV program, \$10,444,992 were expended in 2023 to prevent, prepare for, and respond to coronavirus.

For CDBG-DR funds a total of \$10,005,815,230 are available and a total of \$1,950,077,103.64 funds were expended as of June 30, 2023. For CDBG-MIT a total of \$8,285,284,000 are available and a total of \$12,688,582.12 funds were expended as of June 30, 2023. For details of CDBG-DR & CDBG-MIT expenditures reports go to: <https://cdbg-dr.pr.gov/en/reports/>.

### HOME & HTF program

In the case of the HOME Program a total of \$60,347,572.38 were available as of 6-30-2023; that amount is composed of \$1,519,825.60 (balance available for disbursement from Open Activities as of 6-30-2023) and \$58,827,746.78 (balance available to commit as of 6-30-2023).

As per PR-23 report, HOME Program expended the amount of \$914,596.10 for the activities completed during the period between 7-1-2023 thru 6-30-2024. However, HOME funds really drawn from LOCCS during the same period were \$2,344,570.58.

In the case of the HTF Program, one (1) activities was completed during PY 2023 and the expended amount of \$4,089,625.99 were drawn from IDIS (as per PR105). However, HTF funds really drawn from LOCCS during the same period were \$948,569.43.

For HTF Program, the resources made available as of 6-30-2023 were \$6,941,410.29 composed of 6,540,489.90 (balance available to commit as of 6-30-2023) and \$400,920.39 (balance available for disbursement from Open Activities as of 6-30-2023).

All funds invested in the programmatic activities undertaken benefited low- and moderate-income persons and best serve the needs of the low-income communities. The activities funded and undertaken were aligned with the Consolidated Plan strategic objectives and needs priorities and represented an effective place-based market driven strategy to meet the identified community needs.

**ESG programs**

A total of \$3,493,404 were available for the ESG Program year 2023, of which \$797,324 were expended during the program year. In FY 2020 ESG received an allocation of \$29,026,739 for ESG-CV program, \$1,676,713 were expended in 2023 to prevent, prepare for, and respond to coronavirus; for the amount expended by component type go to appendix section.

**Identify the geographic distribution and location of investments**

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
CDBG- Non-entitlement communities	51	100	See explanation in the following narratives.
Statewide	49	100	During PY 2023, funds from each program were distributed in accordance with the method proposed in the action plan. See explanation in the following narratives.

**Table 4 – Identify the geographic distribution and location of investments**

**Narrative**

During Program Year 2023, funds from each program were distributed in accordance with method proposed in the action plan. As part of the Consolidated Plan Citizen Participation process, the State identified underserved areas with high concentration of poverty, housing and health problems, and general community decay. In order to address the needs of the communities, the State public policy is driven to provide priority to communities in these areas in the PY 2023 Annual Action Plan CPD funded activities. The State collaborated with the Municipalities and Non-Profit Organizations to develop and implement geographic strategies designed to comprehensively revitalize priority areas and in a manner that will have a more lasting impact on residents. As well, the subrecipients could use the funds for activities aimed at COVID-19 preparedness, prevention and response with the CARES act supplemental funding for FY 2020.

Specific information related to each program:

**CDBG Program**

The CDBG allocation for non-entitlement municipalities was equally distributed among the municipalities, except for the islands of Vieques and Culebra, which both receive an additional 15% above the Equal Allocation Grant. This method follows the distribution established via the enactment of local Law 137-2014, as amended.

**ESG Program**

Emergency Solutions Grant (ESG) funds are available to non-profit entities and municipalities through a competitive distribution process. These funds are allocated to subrecipients without restriction to specific entities or municipalities. Through a Request for Proposal (RFP) process, all 78 municipalities on the island, as well as non-profit organizations serving the homeless, can apply for these funds. In 2023, this competitive approach has facilitated a more equitable and effective distribution of resources, ensuring that funds are directed to areas with the greatest need and fostering innovation in services provided to the most vulnerable populations in Puerto Rico.

**HOPWA Program**

The distribution of HOPWA funds to potential sub recipients were conducted using a competitive Request for Proposal process. For this Plan the Puerto Rico EMSA included the 78 municipalities for unobligated funds and the PR-EMSA municipalities for the HOPWA grant.

**HOME Program**

The State PJ has distributed funds through a competitive process. The method of distribution does not include allocation of resources based on geographic areas, so target areas are not earmarked, yet the PRHFA complies with regulations requiring that resources be allocated in non-metropolitan areas.

**Allocation of resources**

The following table shows the allocation of resources by program. The data was obtained from IDIS PR 06 report.

Plan Year	IDIS Project	Project Title and Description		Program	Project Estimate	Committed Amount
2023	1	2023-2026 Departamento de Salud de P.R. PRH23F999 (DSPR)	For the grantee administrative costs of the HOPWA Program.	HOPWA	\$78,813.00	\$78,813.00

## **Leveraging**

**Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.**

## **CDBG**

To undertake the affordable housing and non-housing community development actions, the PR-State government combined a series of diverse public funding streams available to address the needs of the general population, including those of low- and moderate-income levels.

The non-entitlement municipalities that receive CDBG funds leverage their projects with in-kind services and funds from municipal, state, and other federal sources. The most frequent sources of funding for leverage are municipal funds.

For details with leveraging for the CDBG 2023 go to Appendix section.

The CDBG regulations also requires the Government of Puerto Rico to match administration costs beyond \$100,000. The CDBG match is covered by funds from the general budget.

## **HOPWA**

In the case of HOPWA, sponsors leveraged 2023 funds from other sources.

## **ESG**

For ESG matching contributions, each subrecipient must match dollar-for-dollar the funds provided with funds from other public or private sources. These matching contributions can come from any source, including federal sources other than the ESG program, as well as state, local, private, and other sources. In 2023, the ESG Program has continued to implement this requirement to ensure that funds are maximized and integrated with other available resources, ensuring the efficient and effective use of resources in serving vulnerable populations.

## **HOME**

In the case of the HOME program, no match requirement was imposed to Puerto Rico State PJ during PY 2023-24, due to the severe fiscal distress affecting the Government of Puerto Rico. The typical requirement is for the State to the match no less than 25 cents for each dollar of HOME funds spent on affordable housing.

<b>Fiscal Year Summary – HOME Match</b>	
1. Excess match from prior Federal fiscal year	0
2. Match contributed during current Federal fiscal year	0
3. Total match available for current Federal fiscal year (Line 1 plus Line 2)	0
4. Match liability for current Federal fiscal year	0
5. Excess match carried over to next Federal fiscal year (Line 3 minus Line 4)	0

**Table 5 – Fiscal Year Summary - HOME Match Report**

Regarding to the leveraging of HOME funds for rental development activities, during PY2023 there's no completed multifamily rental activities as per PR-23 report. We are in the process to grant HOME funds for two projects with an estimated amount of \$40,000,000 approximately.

Match Contribution for the Federal Fiscal Year								
Project No. or Other ID	Date of Contribution	Cash (non-Federal sources)	Foregone Taxes, Fees, Charges	Appraised Land/Real Property	Required Infrastructure	Site Preparation, Construction Materials, Donated labor	Bond Financing	Total Match

## CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual
Number of Homeless households to be provided affordable housing units	2,560	0
Number of Non-Homeless households to be provided affordable housing units	2,000	0
Number of Special-Needs households to be provided affordable housing units	400	0
<b>Total</b>	<b>4,960</b>	<b>0</b>

Table 11 – Number of Households

	One-Year Goal	Actual
Number of households supported through Rental Assistance	104	0
Number of households supported through The Production of New Units	0	0
Number of households supported through Rehab of Existing Units	24	912
Number of households supported through Acquisition of Existing Units	36	0
<b>Total</b>	<b>164</b>	<b>912</b>

Table 12 – Number of Households Supported

**Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

During PY2023 (and the previous two years), the HOME program experienced a reduction in the number of families assisted with Homebuyer Assistance (in comparison with the families assisted previous to the hits of Hurricane Maria and Irma and the Covid-19 pandemic. The major reason for that reduction in Homebuyer Assistance is due to the better conditions offered to participants by the CDBG-DR HBA (Homebuyer Assistance). CDBG-DR has a broad income qualification parameters to which more families are eligible for assistance.

The following is a summary of the different single families activities attended with HOME program funds:

<b>HOME BUYER ASSISTANCE</b>	
Cases Closed (Per PR-23 Report PY2023)	7 cases
<i>Income Range</i>	50% / 60% / 80%
People Interviewed	42 cases  Income Limits affect the cases as per new table
Cases in process (Pre-Qualified; looking for property)	3 cases

<b>HOMEOWNER</b>	
Closed cases (Per PR-23 Report PY2023)	4 cases
<i>Income Range</i>	50% / 60% / 80%
Under construction	9 cases
Cases in process (under evaluation)	11 cases

<b>TENANT BASE RENTAL ASSISTANCE (TBRA)</b>	
Active cases (Funded during PY2023)	PY2023 – 48 cases
<i>Income Range</i>	30%
Total Interviewed and/or Calls Received	321 cases
Vouchers granted during PY2023	112 cases
Cases in Process during PY2023 (under evaluation)	51 cases

We have impacted 20 municipalities around the island.

PRHFA made a competitive process by a Notice of Funds Availability (NOFA) to promote the development of multifamily rental projects; this NOFA combined different sources of funds including HOME, HTF, LIHTC and CDBG-DR to increase the supply of housing units needed around the island. The purpose of this NOFA

is to maximize the use of public funds from multiple sources under joint selection and underwriting criteria compatible. We are in the process to grant HOME funds for two multifamily projects with an estimated amount of \$40 millions in the near future.

Regarding to the Housing Trust Fund (HTF) program, funds were used to increase the supply of housing units for rent through the development of multifamily rental projects impacting families with very and extremely low-income families. As part of the competitive process above mentioned, we are in the process to grant HTF fund in the amount of \$6,000,000 approximately to a multifamily project.

**Discuss how these outcomes will impact future annual action plans.**

The outcomes in the HOME program will impact the future action plans. Procedural barriers, including those that involve contracting procedures and construction and use permits, will need to be addressed to improve the performance of the program. Rehabilitation or New Construction by Owner is the HOME program activity that PRHFA is emphasizing due to the damaged caused by the hurricanes Irma and Maria and the earthquakes in the South of Puerto Rico. PRHFA is evaluating how will be more effective helping the people in need of federal assistance for their home. A substantial amendment may be expected if necessary to avoid the risk of loss.

**Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.**

Number of Households Served	CDBG Actual	HOME Actual	HTF Actual
Extremely Low-income	12	39	22
Low-income	26	2	0
Moderate-income	2	5	0
<b>Total</b>	<b>40</b>	<b>46</b>	<b>22</b>

**Table 13 – Number of Households Served**

**Narrative Information**

Even in the difficult context of Puerto Rico, the PY 2023 Annual Action Plan housing strategies were implemented. The State was able to facilitate the access to affordable housing opportunity to 108 households, serving 1,665 extremely low-income, low-income and moderate income persons. This achievement shows the State commitment to address the basic housing needs of the low-income population, the responsibility of using and investing the available resources accordingly to the applicable regulations and the capability of managing and administering a Consolidated Plan process with the objective of improving the living conditions of the economically disadvantaged population segments.

Table 13 provides the number of extremely low-income, low-income, and moderate-income households served by each activity. 67.8% of the of the households served by the CDBG, HOME and HTF programs were Extremely Low-Income households, while 25.9% were Low-Income households and 6.5% were

Moderate-Income households. The HOME program served a higher percentage of Extremely Low-Income households, or 84.8%, in contrast to 30.0% served by the CDBG program. CDBG program served a higher proportion of Low-income households, 65.0%.

The number of households served for the HOME program during PY2023 has been reported using PR-23 report as of 8-27-2024. As per the previously mentioned report, the total of families served during Program Year 2023 was 46, all of which were non-homeless households. The number of households served by activity in the HOME program were as follows:

- Rentals: 35
  - First time homebuyers: 7
  - Existing homebuyers: 4
- Total 46

Regarding to HTF Program, the number of household served during PY2023 has been reported using PR105 (Status of HTF Activities). As per that report, the total of families served during Program Year 2023 was 22, all of which were non-homeless households and served by the Rental Activity.

## **CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)**

**Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:**

### **Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

The State prioritized Street Outreach projects and Emergency Shelter projects without restrictions related to population, age, and time, including essential services provided within the shelters. In the case of Rapid Rehousing (as well as homelessness prevention activities), special attention was given to projects serving the chronic homeless population and shelters providing Rapid Rehousing assistance. As outlined in the Annual Action Plan, projects and services that promoted economic and personal self-sufficiency were also encouraged. Accordingly, funds were allocated to special projects presenting an innovative approach to connecting the homeless population with essential services, such as mobile outreach units and landlord engagement services.

Similarly, the ESG Program took several programmatic and operational measures to strengthen the implementation of these activities and help eliminate barriers that could negatively impact progress toward the program's proposed goals. This included educating the general community about ESG Program services using high-reach media to disseminate the message. As in previous years, subrecipients were encouraged to include permanent housing as a primary goal in participants' service plans.

### **Addressing the emergency shelter and transitional housing needs of homeless persons**

Local public policies on homelessness (Law Number 130) recognize the need to promote, plan, and carry out services and facilities to address the needs of the homeless, enabling them to participate in Puerto Rican society and lead productive and social lives. Services must be offered in an integrated manner, promoting the vision of a continuous care system that ensures the uninterrupted provision of services and housing, sharing responsibilities in this crucial matter among various sectors. As part of the ESG Program's responsibilities under the Department of the Family, support is provided to the operation of Emergency Shelter facilities across the Island. These facilities offer a safe and dignified alternative to the streets for a specified period for a family or individual who is homeless, in addition to providing access to case management, medical care assessment, and referral services. This emergency shelter includes meals, sleeping arrangements, and access to phone and mail services. Before the conclusion of the limited period, each family or individual will have completed an assessment to determine self-sufficiency goals and housing needs. A family may then be referred to transitional housing, move to permanent supportive housing, or transition to other low-income housing. Each client agrees to the conditions of stay within the facility and agrees to work on a case plan designed to achieve self-sufficiency. According to the latest 2023 PIT count, only twenty-five percent (25%) of the homeless population is sheltered. To increase the number of people placed in emergency shelters, this PY2024, the Department of the Family's ESG Program will continue supporting low-barrier emergency shelters. ESG standards have established that emergency shelter admission procedures must reflect a housing-first approach. Additionally, the ESG Program will

support emergency shelters with an average bed occupancy rate of sixty-five percent (65%). Technical assistance will continue to be provided to ESG subrecipients to reduce the length of stay for individuals in emergency shelters. Individualized planning services are also established as requirements in ESG standards and must focus on placing individuals in some form of housing within ninety (90) days.

Funding for emergency shelters primarily comes from the State's ESG program. These funds are also available through the previously described RFP process. Funds can be used for the renovation of emergency shelter facilities, the operation of those facilities, and supportive services for residents, which may include Case Management, Child Care, Education, Employment Assistance and Job Training Activities, Legal Assistance, Mental Health, Substance Abuse Treatment, Transportation, and Services for Special Populations.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

The PRDF's ESG program is committed to providing the necessary assistance to quickly accommodate homeless individuals and families into permanent housing; and prevent individuals and families from becoming homeless. Subrecipients, including non-profit organizations and municipalities, used these ESG funds to provide relocation and housing stabilization services and short and/or medium-term rental assistance necessary to prevent a person or family from moving into an emergency shelter or another place permitted by regulation. ESG funds were also used to provide relocation and housing stabilization services and short and/or medium-term rental assistance as necessary to help a homeless person or family move as quickly as possible into permanent housing and achieve stability in that housing.

Similarly, the PRDF continued to seek coordination efforts with CoCs and government agencies in developing and observing discharge policies and strategies to prevent homelessness.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

The current strategy to end chronic homelessness in Puerto Rico includes the following strategies:

- Continued expansion of stakeholders involved in collaborative planning and service development within specific areas with high prevalence of chronically homeless individuals.

- Continuation of efforts to implement existing commitments and obtain new commitments from Mayors to participate in planning processes to end chronic homelessness.
- Development and implementation of specific action steps with state and municipal governments that have established eliminating chronic homelessness as a priority, such as supportive housing development, providing homeless families with public housing in municipalities that manage their public housing projects, providing permanent housing vouchers in those municipalities that manage voucher programs, coordinating support services to promote retention in permanent and supportive housing, including developing micro-enterprises for the self-employment of homeless individuals, etc.
- Implementation of specific action steps to improve access to services, reduce stigma and the criminalization of homelessness.
- Continued education and advocacy to increase the number of public and private funding sources for housing and support services for chronically homeless individuals, emphasizing those with SA/MH conditions.
- Increasing the training of municipal government representatives to partner with community organizations in the development, funding, and provision of services for chronically homeless individuals.
- Continuation with the implementation of the dedicated HMIS – currently under the San Juan Coalition and the Coalition of Coalitions – for uniform data collection to track the populations served through various systems and allow continuous monitoring of the number and quality of services provided, and outcomes for homeless individuals served.
- Collaborating with the San Juan Coalition, the Coalition of Coalitions, and member entities of each CoC to strengthen data collection processes on homelessness and the consistency of information provided by organizations.
- Continuous identification and collaboration with public and private housing developers to focus on the homeless population in supportive housing development.

## **CR-30 - Public Housing 91.220(h); 91.320(j)**

### **Actions taken to address the needs of public housing**

CPD funded activities served the Public Housing projects located within the non-entitlement Municipalities of Puerto Rico. The following is a list of the action taken by the Municipalities to address the need of the public housing residents:

- Senior Services, Youth Services, Crime Awareness, Child Care Services & Health Services

In addition, the PRPHA implemented a series of programs and activities to promote the Economic Self-Sufficiency of the Public Housing Residents. The programs funded with Public Housing funds included Education, Training, Employment, Section 3, and Business Development. The achievements of these programs between July 2019 and June 2020 are: The program had a total of 4,340 participating families; 6,187 public housing residents were focused on the Program.; 17,415 residents requested financial self-sufficiency services and were cared for; 294 service fairs were held with a total participation of 6,559 residents of public housing.

*\*Source 2020 PRPHA PHA Plan.*

### **2023 PHA Annual Plan for Puerto Rico**

Economic Self-Sufficiency Program:

The Economic Self-Sufficiency Program is designed to motivate, support, train, assist, direct and / or facilitate the economic independence of families assisted by the Department of Housing and Urban Development (HUD). This Program includes the following components: Education, Training, Employment, Section 3, Business Development and Homeownership.

For the year 2020-2021, goals are developed in each of the Bureaus of the Community and Resident Programs Area, considering the new challenges we face as a result of the COVID-19 Pandemic and other events that preceded it. This means that new strategies and activities will be carried out to promote, assist, provide services and satisfy the needs and interests of the affected families.

All projections are generalized for all PRPHA communities, understanding that the Economic Self-Sufficiency and Social Self-Sufficiency Programs are implemented by regulation in all projects as established in the Code of Federal Regulations, Title 24, Sub-part, 5.603.

- For the year 2023-2024, it is projected that a total of 2,500 families will participate in the Program.
- One hundred percent (100%) of the new tenants will be oriented on the established programs.
- A total of 400 economic self-sufficiency service fairs will be held and one hundred percent (100%) of the residents requesting services will be attended, with the support of the Management Agents.

**Education Component:** By 2023-2024, 200 residents are projected to be high school graduates and over

400 residents are projected to continue or begin higher education

**Training Component:** For the year 2023 - 2024, it is planned to offer 100 training courses to 400 residents.

**Employment Component:** For the year 2022-2023, it is projected that 300 residents will be located in different jobs and that 5,000 residents will receive technical assistance and training related to the Job Market.

**Section 3 Component:** For the year 2023-2024, it is projected that 300 residents will be located in different jobs and that 5,000 residents will receive technical assistance and training related to the Job Market.

**Business Development Component:** 1. Results for fiscal year 2021-2022: 124 micro-enterprises were created and/or received technical assistance. 956 residents were oriented about business development. 2. Through the Program, training and technical assistance will continue to be offered, aimed at the entrepreneurship of new entrepreneurs, in order to promote the economic and social self-sufficiency of individuals and families. These trainings include the technological tools and market tendencies to compete in the business market. During fiscal year 2023-2024 we expect a 10% increase on microbusiness.

**Homeownership Component:** For the year 2023-2024, it is planned to offer workshops, assistance and support, aimed at promoting the purchase and sale of homes.

### **Actions taken to encourage public housing residents to become more involved in management and participate in homeownership**

Public Housing residents were encouraged to participate in management and participate of homeownership opportunities, also participate in workshops, assistance and support, aimed at promoting the purchase and sale of homes.

During fiscal year 2020-2022 (July 1, 2020- June 30, 2021) 14 units of public housing were available for sale. The PRPHA worked with residents of multiple public housing project to promote homeownership. Projections for fiscal year 2021-2022 (July 1, 2021 to June 30, 2022): Until December of this year, 22 housing units have been arranged for sale.

The State public housing strategy includes policies to promote social and economic self-sufficiency among the housing complexes residents. A key element within this strategy is to achieve resident engagement and community leadership within the housing projects. Through the engagement of the residents, the PRPHA and the Private Administrators are able to understand the residents' views, particularly community needs and assets and how the residents understand that socio-economic improvements can be achieved.

As per the participation of homeownership actions, the PR PHA will continue to promote affordable housing opportunities to low-income homeless individuals and/or families and other vulnerable populations. Part of the Section 8 Program's initiative is to promote the independence of assisted families

through the Family Self-Sufficiency (FSS), Family Unification and Homeownership programs.

**Actions taken to provide assistance to troubled PHAs**

No actions were taken during PR 2023. The PRPHA was not declared a troubled PHA during PY 2023.

## **CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)**

**Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)**

During program year the state continued with the implementation of the Permitting Reform Act (Law 19-2017), that seeks to streamline the permitting process for businesses and promote new investments, job creation, and economic development on the island. The new law consolidates the process to obtain a permit, certification of fire prevention, environmental health, licenses, and authorizations into a Single Permit, in order to expedite the process. One of the key elements of this law is that small and mid-sized businesses will be able to obtain the Single Permit automatically.

The law also creates the Unified Information System, which integrates all requirements to do business in Puerto Rico into a single website (One Stop-PR Doing Business). This website allows users to apply for both state and municipal permits and licenses online, through one single website.

### **Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)**

In March 2020, Puerto Rico started to experience the effects of the COVID-19 pandemic. People lost their jobs, schools were closed, government services and private enterprise could no longer operate effectively. A survey conducted to the population of 18 years or older in Puerto Rico (May 2021) pointed out to the fact that, in one way or another, most of the residents of Island, have been impacted by the pandemic. However, information gathered through consultations and other research on the topic, reveals the possibility of certain groups of the population being disproportionately affected. These include older adults, children, individuals with disabilities or chronic illnesses, homeless and women has been disproportionately.

To address these disparities and the obstacles to meeting underserved needs, a latitude of resources, including CPD, have been used. The municipal, state and federal governments and the private sector have joined efforts to provide services to satisfy basic needs, in combination with housing activities, including:

- Rapid Rehousing
- Street Outreach
- Prevention
- Shelters

In line with that, all of the funded activities provide preferences to the underserved. During this program year:

- Non-Entitlement Municipalities continued to fund public services including job training programs and other assistance programs (WOIA, Economic Development) to help individuals secure a job to increase their family income.
- With the Housing Choice Voucher program funds the State and the Municipalities provided assistance to extremely low-income families providing them the opportunity to obtain a housing unit that safe sound and sanitary.
- The HOME funded Homebuyer Assistance activity provided financial assistance to eligible households including underserved that otherwise could not afford to purchase a home due to the lack of funds for down payment and other fees associated with a home purchase. Also, with the HOME funded Tenant-Based Rental Activity (TBRA), the State provide funds to homeless individuals with preference to people victims of domestic violence, families impacted by major disasters including Hurricanes Irma & Maria and those affected by the earthquakes in the south.
- HOME funded Rehabilitation or New Construction by Owner activity will be making a positive impact in families in need of a decent and safe home across the island. Many families are homeless since hurricanes Irma & Maria and the earthquakes in the south.
- Rapid re-housing activities using ESG funds provided homeless individuals and those who are victims of domestic violence.

#### **Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)**

All the affordable housing activities undertaken by the State during the PY 2023 complied with the Lead Based Paint regulations. The level of compliance was contingent to the different activities and the amount of funds invested. The following summarizes the action undertaken to address lead-based paint hazard in the CPD activities:

- Housing Rehabilitation activities with ESG Program: The State throughout the Municipalities made notification, undertook deteriorated paint identification, repair surfaces disturbed during rehabilitation and promoted safe work practices.
- Rapid Rehousing and Prevention activities with ESG Programs funds: The State undertook notification and visual assessment actions on each of the assisted householders and units.
- Regarding CDBG funds, municipalities comply with the requirements set out in the Memorandum Circular 2015-20. For each housing rehabilitation project, the municipality has to submit a document indicating the results of the evaluation regarding lead paint for each housing unit and the action that must be taken to be in compliance.
- The PRHFA have a pro-active approach to reduce lead-based- paint hazards in residential projects across the Island, including:
  - Professional assessment for deteriorated paint in units built before 1978
  - Initial and annual HQS inspections
  - Disclose information among residents of lead-based paint hazards.
  - Stabilization, removal and disposal of dangerous material. The State HOME Program has contracted companies to provide technical assistance for the evaluations, visual assessment, HQS

inspections and paint testing (when necessary) for the housing units that will be rehabilitated with HOME funds in order to comply with lead-based paint requirements and other applicable federal environmental laws and regulations.

### **Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)**

In order to reduce the number families under poverty levels, the PR-State Government continued to implement its strategy of providing, maintaining and enhancing the housing stock and the promoting the creation of jobs for low- and moderate-income persons. To that effect, the following actions were taken during the reported year:

- Provided training and workforce development opportunities through the investment of funds of the Workforce Innovation and Opportunities Act (WIOA) Program. These funds are committed to assist low-income individuals in acquiring the technical knowledge and developing the work skills needed to effectively transition to the job market;
- Continued the support to post-secondary education institutions, including the Technical Colleges, that provide educational opportunities to low- and moderate-income students and job placement opportunities;
- Provided financial housing subsidies to low- and moderate-income households in order to alleviate the cost burden effect that housing has in the economic status of the families;
- Continued to support private investment in the development of affordable housing projects;
- Continued to provide Tenant Based Rent Assistance to HIV/AIDS individuals and family members;
- Continued to invest Section 8 funds for assisting eligible households in their rental needs;
- Promoted the creation of Public-Private Alliances, as a business model to promote economic development activities, to create and maintain jobs opportunities and expand the business activities base around the Island;
- Promoted the active participation of the Cooperatives Sector within strategic regional projects as a tool to create job opportunities, promote local investment and promote an increase in the regional business activities throughout the Island.

### **Actions taken to develop institutional structure. 91.220(k); 91.320(j)**

During the reported program year, the State relied in its internal agencies structure in the undertaking of the CPD funded activities. In addition to its own internal structure, the State promoted activities through collaborative agreements with the active participation of private sector institutions, such as banks institutions, developers' organizations and community nonprofit organizations.

The state in collaboration with the private sector, non-profit organizations and the different sectors comprising our society, are working to comply with the Fiscal Plan. The collaboration is based on achieving economies and efficiencies in the services to the people.

All the CPD Programs maintained a high level of collaboration and cooperation among the service entities

that carried out the activities. For example:

- CDBG funded activities mainly undertaken through the non-entitlement municipalities Service Structure. Continuous and effective communication actions, working meeting sessions and oversight and monitoring actions were taken during the reported program year.
- HOME and HTF funded activities: these activities were undertaken in collaboration with private sector institutions, such as bank entities and developer firms were the main providers of service of these activities. In some cases, coordination of efforts through Municipal PJ was required. All efforts included working meetings, follow-up actions, continues communication among the parties.
- HOPWA funded activities: these activities were undertaken through collaboration agreements established with the PR State Government Health Department (Grantee), Municipality of San Juan (Project Sponsor), Municipalities (Subrecipients) and Community Nonprofit Organizations (Subrecipients). To achieve the proposed goals, continues communication, follow-up, working sessions and oversight actions were taken during the reported period.
- ESG funded activities: these programmatic activities were mainly undertaken through the subrecipients (Municipalities and non-for-profit organizations) internal service structure. The Puerto Rico Department of the Family was the lead agency in this effort. The Department was able to create an effective communication among its components to effectively undertake the planned activities included in the PY 2023 Action Plan.

**Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)**

In order to enhance the level of coordination between public and private housing and community social service agencies, the State continued to undertake the following actions:

- Continued the implementation and closeout of the Neighborhood Stabilization Program (NSP);
- Continued negotiating with private developers the provision of HOME Program assistance and LIHTC assistance for the development of rental projects;
- Continued working with Puerto Rico's CoCs for the allocation of Continuum of Care funds for homeless service programs;
- Continued the collaboration efforts with local governments and non profit organizations for the provision of assistance to special population groups;
- Continued the collaboration agreement between the Puerto Rico State Department of Health and the Municipality of San Juan for the administration of the State HOPWA funds;
- Continued the efforts to support nonprofits communities' organizations sub-recipients for the provision of public services to special populations and those in need.

**Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)**

The State is committed to promote actions toward the provision of affordable housing opportunities to the low- and moderate-income persons in Puerto Rico. The four State agencies continued to work tirelessly to guarantee that no action can impede that a low-income person interested in obtaining an affordable housing opportunity, can experience a fair and real option to do so.

## **CR-40 - Monitoring 91.220 and 91.230**

**Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements**

Monitoring is an integral management control technique and a Government Accountability Office (GAO) standard. It provides information about the State actions that is critical for making informed judgments about program effectiveness and management efficiency. It also helps in identifying instances of fraud, waste and abuse. It is the principal means by which the State:

- Ensure that programs and technical areas are carried out efficiently, effectively, and in compliance with applicable laws and regulations;
- Assists in improving the performance, developing, or increasing capacity, and augmenting the management and technical skills; and
- Stays abreast of the efficacy of CPD funded activities and technical areas within the communities served by the programs.

The State recognizes and fulfills the monitoring requirements of the five (5) grant programs included in the Consolidated Plan. Monitoring activities are conducted in accordance with OMB regulations, and the HUD regulations and guidance for each program contained in the CPD Monitoring Handbook and include the following:

- Explanation of grant contract requirement and deadlines for all grantees
- Field visits to monitor work in progress and completed projects
- Telephone or office conference assistance to grantees
- Detailed explanation of ways to improve grant administration
- Suspension of grant activities where warranted
- Importance of timeliness
- Monitoring of progress toward goals and objectives of Consolidated Plan

## **CDBG**

CDBG monitoring details are included as an attachment.

## **ESG**

Throughout the year, program staff conducted visits to all ESG projects to assess compliance with programmatic and administrative regulations. During these visits, they provided technical assistance to address any identified needs. Additionally, the staff developed and implemented improvement plans to correct deficiencies found in the projects, thereby enhancing their effectiveness and ensuring alignment with the program’s objectives.

## **HOPWA**

The State's approach to monitoring the HOPWA Program is a dynamic, ongoing process that integrates continuous communication and evaluation. This comprehensive method enables the State to effectively assess compliance, identify and prevent deficiencies, and implement corrective actions to enhance program participant performance. The HOPWA staff maintains vigilance for any signs of fraud, waste, or mismanagement, addressing identified issues through collaborative discussions, negotiations, or technical assistance. This approach aims to maximize local discretion while ensuring program integrity and effectiveness.

At the core of the HOPWA monitoring process is a robust Risk Analysis assessment. This strategic tool is designed to focus attention on subrecipient activities that present the highest risk of fraud, waste, and mismanagement. The assessment involves a thorough analysis of each program subrecipient's past performance, evaluating it against the full spectrum of HOPWA Program funds and programs. This meticulous evaluation allows for a comprehensive ranking of program participants, categorizing them into high, medium, and low risk groups.

The outcomes of the Risk Analysis process play a crucial role in shaping the monitoring activities for each program year. Based on the risk categories assigned to subrecipients, the Program determines which entities will be subject to monitoring actions. This targeted approach ensures that monitoring resources are allocated efficiently, concentrating on areas where they can have the most significant impact. By prioritizing high-risk activities and subrecipients, the State can more effectively safeguard program resources and work towards achieving its management objectives and planned HOPWA Program goals.

Below is a table with the Monitoring visits during this Program Year.

Organizations/Municipalities	Date
Hogar Crea - Arecibo - PRH23F999 (HCA)	4/25/2024
Casa Del Peregrino PRH23F999 (CDPDC)	5/9/2024

PAC.TA PRH23F999 (PACTA)	6/21/2024

**HOME**

**Rental Activity**

The Puerto Rico Housing Finance Authority (PRHFA) as the designated Participating Jurisdiction (PJ) for the HOME Program (Program) is responsible for monitoring compliance of rental projects assisted with Program funds. Specifically, PRHFA must validate project compliance with HOME requirements related to tenant income-eligibility, rent restrictions, unit mix, tenant rights protections, marketing, financial viability of the projects, compliance with the property standards, and with other Program requirements included in the Federal Regulation 24 CFR Part 92.

As of June 30, 2024, the PRHFA had 73 rental projects completed in HUD’s Integrated Disbursement and Information System (IDIS) and within the required affordability period. The total number of HOME-assisted units in these projects were 2,988. A detail of the rental projects is included in **Annex A**.

The compliance activities performed by the Federal Funds Compliance Office (FFCO) included the following:

**a. Physical inspections of the properties**

**Project in which funds were committed on or before January 24, 2015**

The HOME regulation establishes that the participating jurisdictions must perform a physical inspection at project completion and during the affordability period to determine if the project meets the property standards of Section 92.251. The projects to be inspected during each Program Year (July to June) are selected based on the following schedule:

Total Number of Units in the Property	Minimum Frequency of On-site Inspections
1-4 units	Every three years
5-25 units	Every two years
26 or more units	Every year
<p><b>Note:</b> This schedule is based on the total number of units in the property, not in the number of HOME-assisted units.</p>	

**Project in which funds were committed after January 24, 2015**

The HOME regulation establishes that the participating jurisdictions must perform a physical inspection within 12 months after project completion and at least once every 3 years thereafter during the period of affordability.

**Sample sizes:**

For projects with one to four units, the inspectable items for each building with HOME-assisted units and 100 percent of the HOME-assisted units must be inspected.

For projects with more than four HOME-assisted units, the inspectable items for each building with HOME-assisted units and at least 20 percent of the HOME-assisted units in each building, but not fewer than four units in each project and one HOME-assisted unit in each building.

A physical inspection report is issued by the PRHFA. This report presents the deficiencies found during the inspection and the timeframe granted to the owner to correct the deficiencies. The owner is required to submit evidence of the corrections of all the deficiencies found during the inspection. The HOME Program will review the owner’s response and supporting documentation, and if it is satisfactory, will issue a Closet Out Letter notifying that the project complies with the property standards. If the owner’s response does not comply with the Program’s requirements,

follow up will be given to the required corrective actions until all pending deficiencies have been corrected.

### **Results for PY 2023**

During the PY 2023 the PJ scheduled 53 physical inspections. At the end of PY2023 the PRHFA's Inspection and Appraisal Division completed the required 53 inspections scheduled for the year. The details of the inspections completed is presented in **Annex B**.

#### **b. Compliance reviews (file reviews)**

Projects to be reviewed during the fiscal year (July to June) will be selected considering the following factors:

1. Projects completed in IDIS in the last 12 months (first year of the compliance period) - Each project must be reviewed within 12 months after project completion.
2. Projects in which the last compliance review was performed three years before the Program Year (PY) – Each project must be reviewed at least once every three years during the affordability period.

Considering the factors mentioned above the FFCO included in the PY 2023 compliance review plan 25 projects in which the last compliance review was performed three years before the PY 2023.

The tenants' files reviewed during the compliance reviews are selected based on a random sample of at least 20% of the HOME-assisted units in each building of the project. The tenants' files evaluation includes verification of the compliance of each unit with the applicable income and rent limitations of the Program, correct determination of the household income, correct use of the applicable utility allowance, lease contract minimum requirements, compliance with the minimum required documentation and the student rule. Also, during the compliance review the FFCO evaluates the project's compliance with the tenant selection procedures, dispute resolution procedures and property maintenance requirements of the HOME Program.

After the evaluation, the FFCO issues a compliance review report of the findings encountered during the review. This report presents the findings in order of severity or importance and includes all the details that support each finding. The owner will have a 30-day period to submit a response that includes all the supporting evidence of the corrective actions taken to bring the project units in compliance with the requirements of the HOME Program. The FFCO will review the owner's response and supporting documentation, and if it is satisfactory, the FFCO will issue a clearance letter notifying that the project complies with all the requirements of the Program and that the compliance review process has concluded. If the owner's response does not comply with the Program's requirements, follow up will be given to the required corrective actions until all pending issues have been resolved.

### **Results for PY 2023**

During the PY 2023 the FFCO performed the 25 compliance reviews scheduled for the year. The completed reviews included the verification of the compliance of each unit with the applicable income and rent limitations of the Program, correct determination of the household income, correct use of the applicable utility allowance, lease contract minimum requirements, compliance with the minimum required documentation and the student rule. Also, during the compliance review the FFCO evaluated the projects' compliance with the tenant selection procedures, dispute resolution procedures and property maintenance requirements of the HOME Program.

The details of the compliance reviews performed are presented in **Annex C**.

The most frequent findings were as follows:

1. Unit in noncompliance with HOME Program income limits
2. Rent charged in excess of the maximum rent allowable by the HOME Program
3. Prohibited provision in the project's lease contract
4. Incomplete Tenant Selection Procedure
5. Incomplete Dispute Resolution Procedure
6. Lease contract does not comply with the HOME Program requirements
7. Incorrect information in Tenant Income Certification (TIC)
8. Documents with incorrect and/or missing information
9. Incorrect income calculation

Each situation includes the necessary corrective actions to bring the project back to compliance with the requirements of the HOME Program.

**Citizen Participation Plan 91.105(d); 91.115(d)**

**Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.**

The availability of the draft CAPER was published in the Puerto Rico Department of Housing, web page. The notice provided instructions to the public about how to retrieve the document online or in person and advised of a 15-day comment period. Comments will be published at the final version of the CAPER 2023.

**CR-45 - CDBG 91.520(c)**

**Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.**

Does not apply.

**Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?**

No

**[BEDI grantees] Describe accomplishments and program outcomes during the last year.**

## **CR-50 - HOME 91.520(d)**

### **Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations**

Please list those projects that should have been inspected on-site this program year based upon the schedule in 24 CFR §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

The HOME regulation establishes that the participating jurisdictions must perform a physical inspection at project completion and during the affordability period to determine if the project meets the property standards of Section 92.251.

Please see CR-40 with the accompanying list of projects physically inspected, reviewed and financially evaluated.

### **Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 24 CFR 91.520(e) and 24 CFR 92.351(a)**

The PRHFA used the established affirmative marketing policies and procedures established in 24 CFR 92.351. The State PJ has made an effort to inform potential applicants from all protected groups, through seminars and other HOME conferences, about available vacant units and other HOME assisted housing. Moreover, during these seminars programs and projects are described and enable the public with information to submit applications.

The PRHFA recently redesigned its website as to provide a more detailed description of the available HOME programs and other state programs that could be combined to increase affordable housing. Moreover, private lending institutions make several referrals throughout the year of potential applicants. The State PJ actively participates meetings with the Puerto Rico Department of Housing and other outreach efforts.

### **Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics**

<b>Participant Name</b>	<b># Families</b>	<b>Activity</b>	<b>IDIS #</b>	<b>Type</b>	<b>Funded Amount</b>
Adán Mercado Ramírez	1	Homeowner	19514	PI	\$115,664.21
Adán Mercado Ramírez	1	Homeowner	19514	HP	\$27,048.50
José F. Class Soto	1	Homeowner	19474	PI	\$51,134.67
José F. Class Soto	1	Homeowner	19474	HP	\$76,333.33
Maite Reynoso Hernández	1	Homeowner	19642	PI	\$3,085.00
Maite Reynoso Hernández	1	Homeowner	19642	HP	\$60,000.00

**Describe other actions taken to foster and maintain affordable housing. 24 CFR 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 24 CFR 91.320(j)**

During the past years the government of Puerto Rico has placed strong efforts in creating and preserving affordable housing units. This has required the collaboration of multiple agencies and non-for-profit organizations. The State CDBG program, along with the HOME program has added multiple housing units to the market. These actions and market conditions have served as an incentive for local developers to transition to this market segment, due to its high demand and the change in the socioeconomic landscape. Progress can be partially attributed to the efforts undertaken by the state to combine multiple funding sources (Low-Income Housing Tax Credits, Private Loans, etc.) under a coherent affordable housing strategy. Private developers, along with municipalities have been key actors in supplying affordable housing units.

## CR-55 - HOPWA 91.520(e)

### Identify the number of individuals assisted and the types of assistance provided

Table for report on the one-year goals for the number of households provided housing through the use of HOPWA activities for: short-term rent, mortgage, and utility assistance payments to prevent homelessness of the individual or family; tenant-based rental assistance; and units provided in housing facilities developed, leased, or operated with HOPWA funds.

Number of Households Served Through:	One-year Goal	Actual
Short-term rent, mortgage, and utility assistance to prevent homelessness of the individual or family	70	84
Tenant-based rental assistance	132	94
Units provided in permanent housing facilities developed, leased, or operated with HOPWA funds	80	0
Units provided in transitional short-term housing facilities developed, leased, or operated with HOPWA funds	160	103
Total		

Table 14 – HOPWA Number of Households Served

### Narrative

As show in the above table the State exceeded the one-year goals for the HOPWA Program. The following are the highlights of each activity funded with HOPWA funds.

- **Tenant-Based Rental Assistance (TBRA) Program:** The TBRA program provides tenant-based rental assistance to eligible individuals who are unable to afford stable housing. The assistance continues until they secure other affordable and stable housing solutions, often transitioning participants to long-term affordable housing options. This program helps prevent homelessness among individuals with HIV/AIDS by providing consistent housing support. A total of eleven (11) municipalities implemented this activity. Of the \$735,489.42 allocated to TBRA, \$28,288.06 was directed to activity delivery costs, which include administrative tasks and case management. Additionally, \$354,429.58 was disbursed specifically for housing assistance to eligible participants, ensuring they could remain in stable housing while working toward more permanent solutions.
- **Short-Term Rent, Mortgage, and Utilities (STRMU) Assistance Program:** The STRMU program offers crucial financial relief for eligible individuals, covering rent, mortgage, and utility payments for up to 21 weeks in a 52-week period. This short-term intervention is designed to stabilize housing situations in times of crisis, preventing eviction or foreclosure while individuals regain

financial stability. During the program year, the STRMU services were distributed across three geographical regions in Puerto Rico, ensuring coverage in key areas with high demand. A total of \$231,753.00 was allocated to this activity, and \$138,265.77 was disbursed, directly assisting participants in maintaining their housing and essential utilities.

- **Supportive Services Program:** Under this program supportive services and housing are offered by nonprofit organizations via contracts with the MSJ. Supportive services including health care, mental health assessment, permanent housing placement, drug and alcohol abuse treatment and counseling, day care, personal assistance, nutritional services, intensive care when required, and assistance in gaining access to local, state, and federal government benefits and services, were also provided to HOPWA recipients. Most services are provided in a residential setting. The total amount allocated for Supportive Services was \$1,197,644.54. Of the amount allocated to supportive services, the amount of \$269,258.54 corresponds to the CARES Act funds. A total of \$836,689.54 were disbursed for this activity.
- **Transitional Housing:** This category includes temporary housing, hospice care, permanent housing for chronically ill mental patients, and other types of housing with supportive services to maintain clients' quality of life. The total amount allocated for Transitional Housing was \$756,179.90. A total of \$433,753.91 were disbursed for this activity.

## CR-56 - HTF 91.520(h)

Describe the extent to which the grantee complied with its approved HTF allocation plan and the requirements of 24 CFR part 93.

HTF funds have been allocated to multifamily rental projects.

- 1) **Rio Plata Development** – PRHFA, as the PJ for HTF Funds Puerto Rico, granted the amount of \$4,089,626 in HTF funds for the rehabilitation of Rio Plata Development project in Comerío PR. Project rehabilitation was completed during PY2023. This project consist of a total of 90 units of which 22 was HTF-assisted.

To obtain the necessary funding for this rehabilitation, HTF funds were leveraged with other financial sources including LIHTC and Private Loans (PRHFA). The leverage in the below mentioned rental project is for approximately 78% of the total development cost during PY2023 for the completed HTF multifamily rental activity.

Project	Location	HTF	Tax Credits	Other Funds	Loan	Total	%
Rio Plata Development	Comerío	\$4,089,626	\$11,747,806	\$0.00	\$2,350,000	\$18,187,432	78%
Totals		\$4,089,626	\$11,747,806	\$0.00	\$2,350,000	\$18,187,432	

Tenure Type	0 – 30% AMI	0% of 30+ to poverty line (when poverty line is higher than 30% AMI)	% of the higher of 30+ AMI or poverty line to 50% AMI	Total Occupied Units	Units Completed, Not Occupied	Total Completed Units
Rental	22	0	0	22	0	22
Homebuyer	0	0	0	0	0	0

**Table 15 - CR-56 HTF Units in HTF activities completed during the period**

- 2) **Paraiso Dorado** - PRHFA, as the PJ for the HTF Funds PR State, has reopened IDIS Activity No. 17324 during its first year of operation (as permitted by federal regulation) and conceded an additional one year to the Paraiso Dorado project in Dorado PR to grant additional HTF funds to make their housing units more resilient and improve its capacity to resist hurricane winds. Construction has been completed as of this date. As of this date, we are processing the final payment.

### CR-58 – Section 3

Identify the number of individuals assisted and the types of assistance provided

<b>Total Labor Hours</b>	<b>CDBG</b>	<b>HOME</b>	<b>ESG</b>	<b>HOPWA</b>	<b>HTF</b>

Technical assistance to help Section 3 workers compete for jobs (e.g., resume assistance, coaching).					
Outreach efforts to identify and secure bids from Section 3 business concerns.					
Technical assistance to help Section 3 business concerns understand and bid on contracts.					
Division of contracts into smaller jobs to facilitate participation by Section 3 business concerns.					
Provided or connected residents with assistance in seeking employment including: drafting resumes, preparing for interviews, finding job opportunities, connecting residents to job placement services.					
Held one or more job fairs.					
Provided or connected residents with supportive services that can provide direct services or referrals.					
Provided or connected residents with supportive services that provide one or more of the following: work readiness health screenings, interview clothing, uniforms, test fees, transportation.					
Assisted residents with finding child care.					
Assisted residents to apply for, or attend community college or a four year educational institution.					
Assisted residents to apply for, or attend vocational/technical training.					
Assisted residents to obtain financial literacy training and/or coaching.					
Bonding assistance, guaranties, or other efforts to support viable bids from Section 3 business concerns.					
Provided or connected residents with training on computer use or online technologies.					
Promoting the use of a business registry designed to create opportunities for disadvantaged and small businesses.					
Outreach, engagement, or referrals with the state one-stop system, as designed in Section 121(e)(2) of the Workforce Innovation and Opportunity Act.					

Other.					
--------	--	--	--	--	--

**Table 16 – Qualitative Efforts - Number of Activities by Program**

**Narrative**

For HOPWA, Section 3 requirements are applicable only to Facility Based Housing Subsidy Development activities that receive more than \$200,000 of assistance, including those that are funded with more than one HOPWA grant year, where HUD funds total more than \$200,000. As of today, the PRDOH don't have the Facility Based Housing Development activity.

## CR-70 – ESG 91.520(g) - Assistance Provided and Outcomes

### 10. Shelter Utilization

Number of New Units - Rehabbed	0
Number of New Units - Conversion	0
Total Number of bed-nights available	119,439
Total Number of bed-nights provided	71,471
Capacity Utilization	59.84%

Table 24 – Shelter Capacity

### 11. Project Outcomes Data measured under the performance standards developed in consultation with the CoC(s)

As required by the regulation applicable for the consolidated planning process, the PR Department of the Family, as a recipient of ESG Funds, carried out a consultation with the two continuum of care systems, PR-502 and PR-503. The consultation for the 2022 Action Plan was carried out through a survey to the members of the CoC. The consultation included:

- Changes in the needs and characteristics of the homeless population.
- Distribution of funds by activity type and geographical area.
- Development of performance standards to evaluate the results of programs and activities.
- Development of policies and procedures for the administration and management of the Homeless Management Information System (HMIS), in which they are required to participate.

The actions undertaken by the State during PY 2023 were aligned with the recommendations obtained from both CoCs. The following are the main results of the actions undertaken by the State:

- Measurement of the number of persons served by activity type.
- Monitoring of outcomes related to: Level of occupancy in shelters; Exits to permanent housing; Number of persons with an income increase; and Number of persons with increased access to mainstream benefits.

The above data was obtained from the HMIS individual reports by the corresponding CoCs.

## CR-75 – Expenditures

### 11. Expenditures

#### 11a. ESG Expenditures for Homelessness Prevention

	Dollar Amount of Expenditures in Program Year		
	2021	2022	2023

# PR 28 PERFORMANCE AND EVALUATION REPORT

IDIS - PR28

U.S. Department of Housing and Urban Development  
Office of Community Planning and Development  
Integrated Disbursement and Information System  
State of Puerto Rico  
Performance and Evaluation Report  
Fiscal Year 2023  
As of 09/05/2024  
Grant Number 822DCZ0001

09-05-24  
16:55  
1

## Part I: Financial Status

### A. Sources of State CDBG Funds

1) State Allocation	\$22,385,506.00
2) Program Income	
3) Program income received in IDIS	\$59,282.73
3 a) Program income received from Section 108 Projects (for SI type)	\$0.00
4) Adjustment to compute total program income	\$0.00
5) Total program income (sum of lines 3 and 4)	\$59,282.73
6) Section 108 Loan Funds	\$0.00
7) Total State CDBG Resources (sum of lines 1,5 and 6)	\$22,444,788.73

### B. State CDBG Resources by Use

8) State Allocation	
9) Obligated to recipients	\$2,172,946.07
10) Adjustment to compute total obligated to recipients	\$0.00
11) Total obligated to recipients (sum of lines 9 and 10)	\$2,172,946.07
12) Set aside for State Administration	\$0.00
13) Adjustment to compute total set aside for State Administration	\$0.00
14) Total set aside for State Administration (sum of lines 12 and 13)	\$0.00
15) Set aside for Technical Assistance	\$0.00
16) Adjustment to compute total set aside for Technical Assistance	\$0.00
17) Total set aside for Technical Assistance (sum of lines 15 and 16)	\$0.00
18) State funds set aside for State Administration match	\$1,192,000.00

### C. Expenditures of State CDBG Resources

19) Program Income	
20) Returned to the state and redistributed	\$0.00
20 a) Section 108 program income expended for the Section 108 repayment	\$0.00
21) Adjustment to compute total redistributed	\$0.00
22) Total redistributed (sum of lines 20 and 21)	\$0.00
23) Returned to the state and not yet redistributed	\$0.00
23 a) Section 108 program income not yet disbursed	\$0.00
24) Adjustment to compute total not yet redistributed	\$0.00
25) Total not yet redistributed (sum of lines 23 and 24)	\$0.00
26) Amount paid to recipients	\$59,282.73
27) Adjustment to compute total retained	\$59,282.73
28) Total retained (sum of lines 26 and 27)	\$59,282.73
29) Drawn for State Administration	\$0.00
30) Adjustment to amount drawn for State Administration	\$0.00
31) Total drawn for State Administration	\$0.00
32) Drawn for Technical Assistance	\$0.00
33) Adjustment to amount drawn for Technical Assistance	\$0.00
34) Total drawn for Technical Assistance	\$0.00
35) Drawn for Section 108 Repayments	\$0.00
36) Adjustment to amount drawn for Section 108 Repayments	\$423,352.99
37) Total drawn for Section 108 Repayments	\$423,352.99
38) Drawn for all other activities	\$371,191.08
39) Adjustment to amount drawn for all other activities	\$0.00
40) Total drawn for all other activities	\$371,191.08
41) Disbursed in IDIS for PS	\$0.00
42) Adjustment to compute total disbursed for PS	\$0.00
43) Total disbursed for PS (sum of lines 41 and 42)	\$0.00
44) Amount subject to PS cap	\$22,385,506.00
45) State Allocation (line 1)	\$59,282.73
46) Program Income Received (line 5)	\$0.00
47) Adjustment to compute total subject to PS cap	\$22,444,788.73
48) Total subject to PS cap (sum of lines 45-47)	
49) Percent of funds disbursed to date for PS (line 43/ line 48)	0.00%

### D. Compliance with Public Services (PS) Cap

50) Disbursed in IDIS for P/A (line 41) and Types Combined	\$0.00
51) Adjustment to amount disbursed for P/A	\$0.00
52) Total disbursed for P/A (sum of lines 50 and 51)	\$0.00
53) Amount subject to Combined Expenditure P/A cap	\$22,385,506.00
54) State Allocation (line 1)	\$59,282.73
55) Program Income Received (line 5)	\$0.00
56) Adjustment to compute total subject to P/A cap	\$22,444,788.73
57) Total subject to P/A cap (sum of lines 54-56)	
58) Percent of funds disbursed to date for P/A (line 52 / line 57) Combined Cap	0.00%
59) Disbursed in IDIS for P/A from Annual Grant Only	\$0.00
60) Amount subject to the Annual Grant P/A cap	\$0.00
61) State Allocation	\$0.00
62) Percent of funds disbursed to date for P/A (line 59 / line 61) Annual Grant Cap	0.00%

## Part II: Compliance with Overall Low and Moderate Income Benefit

63) Period specified for benefit grant years: 2021 - 2023  
64) Final PIER for compliance with the overall benefit test: [ Yes ]

Benefit LMI persons and households (L)	Grant Year		Total
	2021	2022	
65) Benefit LMI persons and households (L)	4,385,800.92	3,711,911.08	6,373,712.42
66) Benefit LMI, other adjustments	0.00	0.00	0.00
67) Benefit LMI, other adjustments	0.00	0.00	0.00
68) Total Benefit LMI (sum of lines 65-67)	4,385,800.92	3,711,911.08	6,373,712.42
69) Prevent/Eliminate Stairflight	0.00	0.00	0.00
70) Prevent/Eliminate Stairlift	0.00	0.00	0.00
71) Meet Urgent Needs (sum of lines 69 and 70)	0.00	0.00	0.00
72) Meet Urgent Construction Needs	723,815.25	0.00	723,815.25
73) Meet Urgent Needs, Other Activities	723,815.25	0.00	723,815.25
74) Total Meet Urgent Needs (sum of lines 72 and 73)	723,815.25	0.00	723,815.25
75) Acquisition, New Construction, Rehab/Spread Areas	5,689,116.17	371,191.08	7,097,327.67
76) Total disbursements subject to overall LMI benefit (sum of lines 71-75)	6,412,931.42	371,191.08	7,097,327.67
77) Low and moderate income benefit (line 68 / line 76)	0.67	1.00	0.90
78) Other Disbursements	1.00	1.00	3.00
79) State Administration	276,808.15	0.00	276,808.15
80) Technical Assistance	0.00	0.00	0.00
81) Local Administration	986,774.83	215,778.03	1,211,550.66
82) Section 108 repayments	1,232,155.92	182,271.76	1,817,820.67

**SAGE 2023**

## CAPER Aggregator 2.0

Aggregates data from CAPERs submitted to HUD by selected criteria (project type and/or specific question)

*Instructions: Select an option for each filter. Aggregate mode sums data together from separate CAPERs and presents the output as the regular CAPER table shell. Details mode outputs one row for each included CAPER, with a column for each cell of data. Data in Q4 can't be summed, and only outputs in details mode.*

*In aggregate mode, numbers in green italics have been recalculated or weighted based on available totals.*

*If you attempt to pull an entire CAPER, especially aggregating over many recipients, you may have to wait several minutes for the result. Use the "Email me" button to run the report and email you the results when it's complete. You can navigate to other pages in Sage while that's running.*

*"Year" means the year of the start date for the submission.*

*This Aggregator uses data from reports with a status of Review in Progress, Reviewed, or Submitted.*

**Q04a: Project Identifiers in HMIS**

Please select details mode in the filters above to see Q4 information.

CSV uploads containing multiple project rows in Q4 will display as separate rows here using the same value in Project Info Row ID.

## Q05a: Report Validations Table

Category	Count of Clients for DQ	Count of Clients
Total Number of Persons Served	2,450	3,314
Number of Adults (Age 18 or Over)	1,960	2,727
Number of Children (Under Age 18)	476	496
Number of Persons with Unknown Age	14	91
Number of Leavers	1,887	2,468
Number of Adult Leavers	1,501	2,009
Number of Adult and Head of Household Leavers	1,514	2,079
Number of Stayers	563	846
Number of Adult Stayers	459	718
Number of Veterans	30	46
Number of Chronically Homeless Persons	198	318
Number of Youth Under Age 25	186	204
Number of Parenting Youth Under Age 25 with Children	40	41
Number of Adult Heads of Household	1,829	2,585
Number of Child and Unknown-Age Heads of Household	20	97
Heads of Households and Adult Stayers in the Project 365 Days or More	67	122

Effective 1/1/2023, this question includes separate columns for totals relevant to the DQ questions and totals relevant to the entire APR. Data uploaded prior to 1/1/2023 has been bulk updated to use the same totals for both columns in order to support calculations in the Aggregator.

**Q06a: Data Quality: Personally Identifying Information**

	Client Doesn't Know/Prefers Not to Answer	Information Missing	Data Issues	Total	% of Issue Rate
Name	0	1	1	2	0.08%
Social Security Number	63	14	9	86	3.51%
Date of Birth	8	6	2	16	0.65%
Race/Ethnicity	1	1	0	2	0.08%
Gender	0	3	0	3	0.12%
Overall Score	0	0	0	97	3.96%

New as of 10/1/2023.

Numbers in *green italics* have been recalculated or weighted based on available totals.

**Q06b: Data Quality: Universal Data Elements**

Data Element	Client Doesn't Know/Prefers Not to Answer	Information Missing	Data Issues	Total	% of Issue Rate
Veteran Status	0	0	0	0	0%
Project Start Date	0	0	3	3	0.12%
Relationship to Head of Household	0	0	2	2	0.08%
Enrollment CoC	0	5	0	5	0.27%
Disabling Condition	5	5	1	11	0.45%

Numbers in *green italics* have been recalculated or weighted based on available totals.

## Q06c: Data Quality: Income and Housing Data Quality

Data Element	Client Doesn't Know/Prefers Not to Answer	Information Missing	Data Issues	Total	% of Error Rate
Destination	4	23	0	27	1.43%
Income and Sources at Start	3	40	2	45	2.27%
Income and Sources at Annual Assessment	0	36	0	36	53.73%
Income and Sources at Exit	3	39	0	42	2.77%

Numbers in *green italics* have been recalculated or weighted based on available totals.

## Q06d: Data Quality: Chronic Homelessness

Entering into project type	Count of Total Records	Missing Time In Institution	Missing Time In Housing	Approximate Date Started DK/R/missing	Number of Times DK/R/missing	Number of Months DK/R/missing	% of Records Unable to Calculate
ES-EE, ES-Nbn, SH, Street Outreach	736	0	0	1	6	15	2.77%
TH	0	0	0	0	0	0	0
PH (All)	372	0	3	0	3	2	1.61%
CE	0	0	0	0	0	0	0
SSQ, Day Shelter, HP	402	0	7	0	0	0	.02
Total	1,273	0	0	0	0	0	1.57%

Numbers in *green italics* have been recalculated or weighted based on available totals.

**Q06e: Data Quality: Timeliness**

Time for Record Entry	Number of Project Start Records	Number of Project Exit Records
< 0 days	10	12
0 days	908	800
1-3 Days	417	372
4-6 Days	171	95
7-10 Days	98	77
11+ Days	521	529

**Q06f: Data Quality: Inactive Records: Street Outreach & Emergency Shelter**

Data Element	# of Records	# of Inactive Records	% of Inactive Records
Contact (Adults and Heads of Household in Street Outreach or ES - Nbn)	119	91	76.47%
Bed Night (All Clients in ES - Nbn)	4	0	0%

Numbers in *green italics* have been recalculated or weighted based on available totals.

**Q07a: Number of Persons Served**

	Total	Without Children	With Children and Adults	With Only Children	Unknown Household Type
Adults	2,727	2,395	331	0	1
Children	496	0	483	13	0
Client Doesn't Know/Prefers Not to Answer	19	0	0	0	19
Data Not Collected	72	0	0	0	72
Total	3,314	2,395	814	13	92
For PSH & RRH – the total persons served who moved into housing	900	640	247	4	9

**Q07b: Point-in-Time Count of Persons on the Last Wednesday**

	Total	Without Children	With Children and Adults	With Only Children	Unknown Household Type
January	648	488	139	0	21
April	739	589	127	2	21
July	693	544	147	0	2
October	703	520	160	1	22

**Q08a: Households Served**

	Total	Without Children	With Children and Adults	With Only Children	Unknown Household Type
Total Households	2,682	2,318	266	10	88
For PSH & RRH – the total households served who moved into housing	253	195	56	0	2

**Q08b: Point-in-Time Count of Households on the Last Wednesday**

	Total	Without Children	With Children and Adults	With Only Children	Unknown Household Type
January	546	481	44	0	21
April	639	576	40	2	21
July	579	530	47	0	2
October	572	501	48	1	22

**Q09a: Number of Persons Contacted**

Number of Persons Contacted	All Persons Contacted	First contact – NOT staying on the Streets, ES-EE, ES-NbN, or SH	First contact – WAS staying on Streets, ES-EE, ES-NbN, or SH	First contact – Worker unable to determine
Once	691	214	470	7
2-5 Times	366	56	310	0
6-9 Times	8	8	0	0
10+ Times	13	13	0	0
Total Persons Contacted	1,078	291	780	7

**Q09b: Number of Persons Newly Engaged**

Number of Persons Engaged	All Persons Contacted	First contact – NOT staying on the Streets, ES-EE, ES-NbN, or SH	First contact – WAS staying on Streets, ES-EE, ES-NbN, or SH	First contact – Worker unable to determine
Once	295	84	204	7
2-5 Contacts	52	11	41	0
6-9 Contacts	0	0	0	0
10+ Contacts	0	0	0	0
Total Persons Engaged	347	95	245	7
Rate of Engagement	32.19%	32.65%	31.41%	100.00%

Numbers in *green italics* have been recalculated or weighted based on available totals.
